### Please also note:

- o For the time being, we would appreciate it if you would mail your **pledges** to the church, using the post office address:

St. Luke by the Sea Episcopal Church

Waldport, OR 97394.

Please do NOT send them to the church's physical address, or they will not be delivered.

- o Because of Covid-19, we unfortunately need to cancel the Plant & Attic sale. Please do hold onto your donations for the Attic portion of the sale. We will hope to go ahead with an Attic and Bake sale in November.
- o Please stay current with events at St. Luke by checking both the St. Luke's website (our website address is: [www.stlukewaldport.org](http://www.stlukewaldport.org)) and St. Luke's Facebook page (St. Luke-by-the-Sea).

**Please keep in prayer:**

- For the repose of the soul of **Elizabeth Walters' friend Buck**, and for **Jo Martin's friend Steve**, who passed away from COVID-19.
- **Dawn & Terry Pavitt-Ryan's son-in-law Russ**, who was exposed to COVID-19 at work.
- **Michele Hogan's daughter Marta**, who is a health worker in Utah.
- **Martha Wallace**, who often serves as our substitute priest in Judith's+ absence, who's been suffering with fever & significant respiratory symptoms but who hasn't been tested for COVID-19.
- **Jeanne St. John's sister Barb**, who spent several days in the ICU with congestive heart failure but is now home & on oxygen full-time.
- Also **Jeanne's nephew Cameron** who was very depressed & suicidal but has recently started medication & is doing better.
- **Brent Burford**, leader of the Adult Discussion Group, whose heart valve replacement surgery has been rescheduled for April 13.
- **Julie Pearce's husband Nick**, who is now waiting for a new eye surgery to be scheduled.
- **Judith's+ mother Joyce & her father Don**: Joyce was placed in hospice care as her heart is failing and she doesn't have much longer to live.
- **Lory Bauer** from St. Stephen, who now has a tumor on her remaining adrenal gland. Please hold her in prayer as she deals with discouragement and continues to work to recover.

- **Bill Hoeflin** from St. Stephen, whose home and car were destroyed in a fire, as he deals with the insurance company and focuses on recovering and rebuilding.

- **Mary Montanye**, as she grieves the death of her dear husband George.
